We've made it really easy! Just visit the web page above, read the instructions, and then type in where you live in the short form at the bottom of the web page. Then we'll call you and connect you to the Governor's office. We've even given you a suggested script to use when you make your call!

**\*\*AFTER 42 YEARS\*\*** we finally have a chance to enforce safe staffing ratios—SB 1288 is now on the Governor's desk. Let's make sure he hears from us, because our employers and the California Hospital Association are

trying to convince the Governor that this really isn't an issue; staffing problems hardly ever happen. Too many of us know that unsafe staffing levels happen frequently in our hospitals. Learn more: [www.bit.ly/SB1288](http://www.bit.ly/SB1288).

**YES!** I want to be a part of our efforts in 2018 to push for laws that improve patient and nurse safety, and elect leaders who value the care we provide!
